Dear Parents/Carers,

**Re: Achieve Together Evening – Thursday 13<sup>th</sup> October 4pm - 6pm**

As you will be aware, your child will be sitting their GCSE examinations later this Academic year. In order to support them and give them the best possible chance of fulfilling their target in these examinations, we invite you to attend the Achieve Together Evening being held on Thursday, 13<sup>th</sup> October.

The evening will provide you with the opportunity to meet with senior leaders and leaders of all subject areas. You will be provided with valuable information in terms of all upcoming assessments, P2S dates including Mocks and advice on how we can best work together to support your child's attainment and progress, whilst ensuring that we are taking care of their well-being.

Leaders within each subject area will provide you with advice pertinent to their subject area, including revision opportunities, and each faculty will have subject specific 'take aways' to further support your child to reach their potential.

All students will all be provided with a revision resource pack that will contain helpful hints, tips and techniques that they will be able to utilise to support their work both in and out of school.

The evening will begin at 4.00pm and finish at 6.00pm.

The evening will also provide a chance for you to meet with representatives from a variety of local colleges, apprenticeship schemes and future career opportunities. This will ensure you and your child are well advised in terms of life after GCSEs.

Members of the Senior Leadership Team will also be available to chat with parents about our Academic Mentoring Programme whose aim will be to better support students through these often anxious times.

Please could you confirm your attendance at the Achieve Together Evening by completing the reply slip below and returning to your child's form tutor by Monday 10<sup>th</sup> October?

If you would like any further information, please do not hesitate to contact me.

Yours sincerely,

Mrs J Thomson  
Vice Principal
