26<sup>th</sup> June 2023

**Mr I Critchley**  
Principal BSc (Hons), PGCE, MA, NPQH

Dear Parent/Carer

### **Pastoral Support for 2023-2024**

As we approach the end of the Summer Term I would like to share with you the pastoral arrangements for the next academic year 2023-2024. As we continue to develop our provision for pupils we are pleased to announce that Mrs Irons will be co-ordinating our Re-engage Room and will be working to support and mentor a cohort of identified pupils. Therefore, we have made some changes to the pastoral team.

Outlined below is staffing in terms of Progress Leaders and Assistant Progress Leader for the next academic year.

**Year 7** – Miss R Evans, Progress Leader and Miss H Carroll, Assistant Progress Leader

**Year 8** – Mrs S Dixon, Progress Leader and Miss L Heath, Assistant Progress Leader

**Year 9** – Mrs V Traynor, Progress Leader and Miss L Martin, Assistant Progress Leader

**Year 10**- Mrs J Gray, Progress Leader and Mr A Bailey, Assistant Progress Leader

**Year 11** – Mr M Le Marrec Progress Leader and Miss V Morgan, Assistant Progress Leader

Over the last few weeks of term Progress Leaders and Assistant Progress Leaders, new to their year groups, will be working closely with pupils and families to get to know them ready for September.

In addition, we have recently appointed a new member of staff Mrs Roberts who will be our Pupil Support Co-ordinator. Mrs Roberts will run a small office that will be dedicated to meeting the needs of pupils during the school day. Mrs Roberts will also co-ordinate any administration of medication, act as our lead first aider for pupils and will offer any practical support in these matters. Mrs Roberts will also work with Progress Leaders and our school nurse to co-ordinate any care plans for pupils with long standing medical conditions.

If you have any questions about any aspect of this letter please contact your child's current Progress Leader in the first instance.

Yours sincerely

Mrs N Cross  
Vice Principal
