Extra-Curricular

A GREAT
PLACE
TO BE A
PART OF

We have a wide variety of school clubs that we hope will appeal to all students' interests and talents.

We believe that the learning journey through school is not just about securing educational qualifications and we value the whole experience that our students receive here and understand that time spent developing extra-curricular interests is pivotal to ensuring our students leave us as well-rounded citizens; well qualified, happy and healthy.

We have an extensive extra-curricular programme for students to be involved in after school. That said, we are always open to new ideas. If students feel that there is something that we do not offer that they would really like to try, then we will do our very best to facilitate it.

For lunchtime clubs please collect a pass from the staff member taking the session.
